

February 5, 2012

The Parent Advisory Board and the Parent Mentor Project in conjunction with SEDOL administration have produced two parent surveys. We hope you will participate in the survey that applies to you.

The **SEDOL Parent Satisfaction Survey** is for parents and guardians of children who attend SEDOL programs. These may be in a SEDOL Building or in a Sector Program that is held in a district school. The survey period is from **February 8-24, 2012**. The aims of this survey are to gain parent feedback about SEDOL programs, and to encourage best practices by recognizing exceptional staff

The second survey is a **District Staff Recognition Survey** that is for parents and guardians of students receiving special education services directly from their district. The survey period is from **March 5-23, 2012**. The aim of this survey is to encourage best practices by recognizing exceptional staff who serve special education students in district schools.

During the appropriate time frame, you will be able to access the online survey from this webpage. In addition, paper copies are available.
